

Artur Frankiewicz becomes the new General Manager of ORLEN Deutschland GmbH

Elmshorn, 4 September 2024 – With effect from 2 September 2024, Artur Frankiewicz takes over the role of General Manager of ORLEN Deutschland GmbH. The previous Chief Financial Officer, Oskar Skiba, who had been with the company since 2018 and most recently held overall responsibility, left the company on the same day.

Artur Frankiewicz has already been working for the international ORLEN Group for several years. Most recently, he was responsible for the position of Chief Financial Officer at Benzina and the role of Director of Sales and Logistics Controlling in the Unipetrol Group, which belongs to the parent company. He brings with him extensive international experience from previous positions in sales at the Polish investment bank, PwC, Philip Morris, Neeco Global ICT Services and Jet Investment.

'I am very much looking forward to my new role at ORLEN Deutschland GmbH and would like to thank ORLEN S.A. for the trust they have placed in me. The German market continues to offer numerous opportunities. I believe, with a strong team we are capable to win that potential,' says Artur Frankiewicz, General Manager of ORLEN Deutschland GmbH.

About ORLEN Deutschland GmbH

ORLEN Deutschland GmbH was founded in March 2003. It is a 100 per cent subsidiary of the Polish multi-energy group ORLEN S.A. and part of the international ORLEN Group. The company currently operates over 600 ORLEN and star petrol stations on the German market. ORLEN Deutschland GmbH, based in Elmshorn, is one of the ten largest petrol station operators in Germany and is involved in a wide range of sports and cultural sponsorship activities (e.g. handball, winter sports, music festivals).

In keeping with the claim "Moving forward together", ORLEN and star petrol stations offer high-quality fuels as well as their own shop products at an attractive price-performance ratio. ORLEN Deutschland is increasingly focussing on the expansion of electro-mobility offerings, alternative, sustainable fuels and the environmentally friendly use of resources. Customers receive additional services such as car washing, ATM and package services at many stations. Petrol stations with 'star café' and 'stop.café' invite customers to take a break in a feel-good atmosphere and offer coffee specialties throughout the day, a wide selection of food, as well as hot and cold snacks.
