

Make a pit stop at ORLEN and star petrol stations: Original Formula 1 show car on tour

Elmshorn, 17 May 2024 – After last year’s successful roadshow, an original VISA Cash App RB 01 Formula 1 racing car is set to make a pit stop at five of our ORLEN and star petrol stations between 17 May and 20 June 2024 – Barleben, Dresden, Kelberg, Wesel and Rostock. Visitors will be able to see the just under 1,000-hp car up close for a week at a time. The vehicle will be presented in a specially made glass container. Following its stint in Germany, the racing car will be heading towards the Formula 1 circuit in Austria, where the Austrian Grand Prix is due to take place in Spielberg. With the ORLEN Group having taken over the network of 267 TURMÖL petrol stations beginning 2024, customers will be able to see the car at two TURMÖL petrol stations. The campaign is part of the Formula 1 sponsorship by Polish multi-energy group ORLEN S.A., which includes ORLEN Deutschland GmbH.

In addition to the chance to see the impressive presentation, fans in Germany can also take part in a competition on Instagram. Anyone who links a photo of the F1 car on the official ORLEN Germany Instagram channel ([star.tankstellen](https://www.instagram.com/star.tankstellen)) between 17 May and 20 June 2024 will automatically take part in a raffle for ten EUR 100 fuel vouchers.

The Italian team VISA Cash App RB 01 started competing in Formula 1 this season and belongs to Red Bull. The drivers of the car that can reach top speeds of 370 km/h are Daniel Ricciardo of Australia and Yuki Tsunoda of Japan.

ORLEN and star – the petrol stations of ORLEN Deutschland GmbH

ORLEN Deutschland GmbH, based in Elmshorn, was founded in 2003. It is a wholly-owned subsidiary of the Polish multi-energy group ORLEN S.A. and part of the international ORLEN Group. The company currently operates over 600 ORLEN and star petrol stations in the German market with sales of EUR 4.2 billion in 2023, making it one of the ten largest petrol-station operators in Germany.

ORLEN Deutschland is increasingly investing in a sustainable infrastructure in order to actively shape the future of mobility and is continuously expanding its electromobility offering.

Under the motto “Moving forward together”, the two brands ORLEN and star combine quality fuels, excellent service, their own shop products at an attractive price-performance ratio and an atmosphere of well-being.
